MATH/APPLIED MATH MAJOR DECLARATION CHECKLIST

Math/Applied Math Major Requirements

Please check off all that apply.

- ❑ You have completed Math 1A and Math 1B (or equivalent) with average grades of at least "C".
- ❑ You have completed Math 53, Math 54, and Math 55 (or equivalent) with minimum grades of "C" in each, or have completed two of those three courses and are currently enrolled in the third.
    - ❑ If currently enrolled in the last lower-division requirement, you acknowledge that you must earn a "C" or better in order to remain declared in the major.
- ❑ Any coursework completed at another college or university (that is not a CA community college) has been evaluated by the department and you have attached the course equivalency form that has been signed by the course equivalency advisor.
- ❑ If you have taken any major required upper-division courses by the time of declaration, you have a minimum 2.0 GPA in those courses.

Application for Major in Mathematics/Applied Mathematics

Name: _____ SID: _____ Date: _____
