

Math 16A : Analytic Geometry and
Calculus

Focus : Methods / applications over abstraction.

Who's it for : Economics / Business /
Environmental science /
Architecture / Public Health...

All class info :

[www.math.berkeley.edu / ~ apaulin](http://www.math.berkeley.edu/~apaulin)

Enrolment : brown @ math.berkeley.edu

Office Hours : MTWTF 3pm - 5pm
796 Evans Hall

Differences with high school :

- 1/ Much faster pace.
- 2/ More involved applications.
- 3/ Much more independent.

How to do well :

- 1/ Be disciplined. HW can take 6+ hours per week.
- 2/ Make study friends.
- 3/ Come to office hours.
- 4/ If you are struggling come and ask for help.
- 5/ Go to SLC.
